Cytopathology Foundation Inc

26277 East River Road, Grosse Ile, MI 48138, USA

Phone: (262) 797 0323

The *contact person (Executive- in-charge person)* identified in the form will receive further information, including Log-in details, to upload the list of individual members in the group approved by your institution / organization / group to get the benefits under CytoJournal Open Access Steward- Plus status.

Please make a note that the online process can identify individual members in the *CytoJ OA Stewards- Plus* institution / organization / group by their eMail address only, *so it is important to update the e-mail address as it changes.*

You will also get the logo (for sample see below) approved for your organization. You may display this on your home page or use in other stationary to communicate related benefits to your membership.
