*Tutorial on Diagnostic Cytopathology* is designed to provide an update on current criteria & changing concepts in gynecologic and non-gynecologic cytopathology.

The program will consist of lectures and case presentations with special emphasis on application of diagnostic criteria. Ancillary studies including immunocytochemistry and molecular testing, automation, newer classifications and patient management guidelines will be discussed.

There will be plenty of opportunities to interact with the stellar faculty.  
The registration fee is \$650 (for pathologists) and \$350 (for cytotechnologists).
